Contact Australian Poisons Information Centre - 13 11 26 (in case of emergency) 24/7

## 2 Composition and Information of

2.1	Components	Rubber, including natural and synthetic rubber
	Chemical description	As above
	Toxicological Data on Ingredients	Not applicable

## 3 Hazard Identification

3.1	Hazard identification	None
-----	-----------------------	------

## 4

4.1	General instruction	None
	Inhalation	None
	Skin contact	None
	Eye contact	None
	Ingestion	None
	Instruction to the doctor	None

## 5

5.1	Recommended Fire Fighting Media	Water
5.2	Prescribed Fire Fighting Media	None
5.3	Dangerous Products of Combustion	None
5.4	Special Protective Gear	None
5.5	Additional Instructions	None

## 6

6.1	Safely measures	None
6.2	Environmental Safely	None
6.3	Clean up Procedure	None
6.4	Additional Instructions	None

## 7 Fire and Explosion

7.1	Handling	For professional use only Each dentist will get a user information
7.2	Storage	Store in a dry place

## 8 Exposure Controls/Personal

8.1	Engineering Controls	None
8.2	Components	None
8.3	Personal Protection	Eyes protection

## 9 Physical and Fire Explosion

9.1	Form	cup
	Colour	Light gray

	Odour	None
9.2	Volatility	None
9.3	Melting Point	None
9.4	Auto Ignition Temperature	None
9.5	Danger of explosion	None
9.6	Flash point	Not Applicable
9.7	Density at 20d. C	Not Applicable
9.8	Solubility in Water at 20 d. C	Not Applicable
9.9	PH	Not Applicable
9.10	Viscosity	Not Applicable
9.11	Critical Temperature	Not Applicable
9.12	Thermic degradation	Not Applicable
9.13	Additional information	Not Applicable

#### 10 Stability and Reactivity Data

10.1	Stability	Not Applicable
10.2	Incompatibility	Not Applicable
10.3	Dangerous By products	Not Applicable
10.4	Additional Information	None

#### 11 Toxicological Information

11.1	Acute Toxicity	Not Applicable
11.2	Chronic Toxicity	Not Applicable

#### 12 Ecological Information

12.1	Toxicity of the Biodegradation Product	Not Applicable
12.2	Reaction in Enviromental Compartments	Not Applicable
12.3	Ecotoxicity	Not Applicable
12.4	Additional Ecological Information	Not Applicable

#### 13 Disposal Consideration

13.1	Product	None
13.2	Packing	Paper or plastic box

#### 14 Transport Information

		No dangerous goods
--	--	--------------------

#### 15 Regulation

15.1	Marking	None
15.2	National regulation	None

#### 16 Other Information

		None
--	--	------
